

PURPOSE WORKSHEET – Self Reflection

#1 – What themes have you discovered about your passions, strengths, successes, and audience you want to serve?

#2– Using those themes, draft your purpose statement leveraging this framework:

I am here TO _____ SO THAT _____.
(Contribution I will make) (Impact on the audience I want to serve)

Examples:

- I am here to teach children music so that they are lifelong fans of the arts.
- I am here to equip each woman I meet to stand in their brilliance and reach their full potential.
